The Plumas County Library provides free access to printed, audio-visual and electronic forms of information, and educates the community as to the uses and value of its resources. Serving as a gateway to knowledge beyond its collection, the Library is a reflection of the community, a gathering of its knowledge, culture, and information.

Literacy Program

Throughout Plumas County, adult learners have the opportunity to improve their skills in reading, writing, and computer literacy. If you would like to be a tutor, or know someone who could benefit from the Literacy Program contact Coordinator Victoria Metcalf at 283-6413.

Friends of the Library

Membership forms for Friends of the Library are available at each branch. Local Friends groups support the library by providing funds for library purchases and programs. Donate your used books and time to the Friends of the Library, and help benefit the Library and its services.

Holdings & Renewals

You can place a hold on an item that we have in the catalog from any of our branches. Once it becomes available, you will be notified by phone or email and we will hold it at the front desk for you. You can do this on the online catalog by going to www.plumaslibrary.org and entering the 14 digit number on the back of your library card as your login. The last four digits are your PIN.

You may renew by phone or online. Books, and books on tape/CD may be renewed twice. If an item is on request for another patron, it may not be renewed. Videos are not renewable.

Welcome to the library!

You don't need a library card to use our public computers and wifi.
